Weekly Report – Windfarm Project Development

Team Leader: Luis Urhahn

Week Number: Week 32 (03), 04. August to 11. August 2025

1. Summary of Progress This Week

- Analyzing possible sites for our Project
 - Everyone studied on their own possible sites.
 - Everyone wrote down 5-8 different sites to compare each other.
 - First focus on: Wind condition, Terrain, Grid connection, Infrastructure, Surroundings.
- Getting the basis information on the project's idea
- Dealing with a big discussion/fight within the group
 - Team members are not happy with the situation of working during summer break.
 - Other team members don't find this fair for everyone else.
 - Not an easy situation for the complete team.

2. Milestone/Deadline Status

- Current Phase: Development phase for suitable site analysis
- On Track? Yes
- Notes: No final site chosen yet, Problems within the Team still active

3. Next Week's Plan

- Comparing possible sites within the Team
 - Focusing on the most promising ones
 - Choosing the final sites
 - Trying to find the detailed information on the final site.
-

4. Request to the Management of the Project

- Please deal with group problems when the team leader is part of the discussion. It takes too much time and energy from the team and is taking up all the time which is needed to focus on the tasks.

Thank you
